

Kathleen Sheehan, CPA, CPCU, ARM Hanover Stone Partners, LLC

Kathleen has 40 years of consulting, insurance brokerage and accounting/auditing experience mainly operating out of the Dallas marketplace. Her industry experience includes: large account management with global insurance brokerage firms; risk management/analytical consulting; corporate accounting and external auditing, primarily casualty insurance companies, with a first-tier global accounting firm.

Kathleen is currently Principal of KJS Professional Resources LLC in Dallas since 2003. She has been a consultant to a variety of clients for loss analysis, reserving, accrual and paid loss reconciliations, cost allocation, data management, auditing and processes, management reporting and coordination with actuaries, accounting and auditors. Her other financial modeling projects include income statement and balance sheet modeling for captive insurance companies and other types of business ventures.

Prior to KJS, from 2000 to 2003, Kathleen was Senior Vice President at Marsh & McLennan of Texas Inc. where she was Manager of the Wrap-up Construction Group. She also provided actuarial analysis, allocations, loss reserving and accrual reconciliation consulting for a variety of Dallas office clients. From 1994 to 2000 Kathleen was Senior Vice President at Aon Risk Services of Texas Inc. in Dallas. Her responsibilities included analytical, financial, account coordination and negotiation activities. Clients were primarily health care and manufacturing companies. From 1990-1994, Kathleen was Vice President at Alexander & Alexander of Texas. Her responsibilities included marketing, alternative program comparisons, captive feasibility study and captive formation, loss analysis, allocations, coverage analysis and all other client coordinating functions for health care clients.

Kathleen has also worked in Dallas as a risk management consultant at Tillinghast, Nelson & Warren in addition to being an auditor at Ernst & Whinney.

Kathleen has a BBA in Accounting from Texas Tech University which she received in December 1970. She is a Certified Public Accountant, licensed in Texas in 1972 to date. She received an Associate in Risk Management Designation in 1981 and a Chartered Property Casualty Underwriter designation in 1984.
