

Hanover Stone Partners, LLC

Where Experience, Expertise and Enthusiasm collaborate

Peter G. Viscardi, CPCU **Hanover Stone Partners, LLC**

Peter G. Viscardi is an insurance consultant with broad multinational management and professional skills in risk management, environmental affairs, employee safety, security, and employee benefits for the manufacturing, industrial and consumer sectors. He has more than 35 years of risk management experience, including positions with *Fortune* 500 companies, such as Arlen Realty Group, Otis Elevator Company, Studebaker-Worthington, Inc. and Fortune Brands, Inc. (formerly American Brands). Peter joined Hanover Stone Partners, LLC as an Associate in 2010.

Through Viscardi Risk Consulting Corp. and as an Associate of Hanover Stone Partners, LLC, he serves a wide range of companies, organizations and associations with a focus on risk and insurance management and loss prevention and control. Peter previously served as a Senior Manager at Ernst & Young in its Insurance and Actuarial Advisory Services practice. His recent projects have included insurance risk management program reviews, captive feasibility studies and implementation, merger & acquisition due diligence, and insurance broker evaluation and selection activities.

Previously, Peter served as Director, Risk Management & Environmental Affairs at Fortune Brands, Inc. At Fortune Brands, he was also a member of the Capital Appropriations Committee and served as a Director and Vice President of 1700 Insurance Company Ltd. He also served on the Underwriting Committee and as an Alternate Director of Corporate Officers and Directors Assurance (CODA), an independent Bermuda insurance company, from 1986 to 1993. CODA was formed by 50 major U.S. corporations to provide a quality, alternative market for Directors' & Officers' Liability insurance. Before joining Fortune Brands, he held the position of Corporate Risk Manager for Studebaker-Worthington, Inc., and served as Executive Vice President and Chief Operating Officer of the Company's captive insurance division.

He is a graduate of Hunter College where he earned his BA degree, and is also a Chartered Property and Casualty Underwriter (CPCU). He is currently a Member of the American Management Association (AMA) Insurance & Risk Management Council, the Risk Management Committee of the Theodore Roosevelt Council of the Boy Scouts of America, the Society of Chartered Property and Casualty Underwriters (CPCU) and the Professional Liability Underwriting Society (PLUS). He is also a Member of ASTM International and is an active contributor to task groups developing standards under its Committee E54 on Homeland Security Applications. He is also a founding member of the Disaster/Emergency Preparedness Faculty Project, which develops preferred practices and offers services related to emergency management. He is a past Deputy Member of the Risk and Insurance Management Society (RIMS) (1978-2001), the ACE Bermuda Advisory Board (1999-2003), the National Fire

Protection Association (NFPA) (1980-2000), the National Association of Manufacturers (NAM) Risk Management and Environmental Quality Committees (1990-1999), the Institute of Packaging Professionals (1994-1999), the Business Roundtable Industrial Pollution Prevention Council (IPPC) (1995-1999), the Air and Waste Management Association (A&WMA)(1995-2005), and the National Association for Environmental Management (NAEM) (1995-2005). Peter was also a charter member of the Conference Board Chief Environmental Health & Safety Officers' Council I (1991-1999). He served on the Arkwright Mutual (Factory Mutual Company) Risk Management Advisory Committee from 1987 to 1989, and the Editorial Advisory Board of Risk and Benefits Magazine from 1987 to 1989 and from 1991-1992. He has also served on the Institutional Investor Risk Management Advisory Board (1997). He is a seminar leader for insurance courses offered by the American Management Association and also served as an instructor in risk management and insurance planning at Southampton College, Long Island University in 2002.
